Refined Interior Signage

# picnT

When minimal is optimal.

There's nothing plain about simple.

Clean. Subtle.

Unobtrusive.

Like gallery fixtures that know their place,

the **Lucid** line is

designed to

complement

discerning spaces.

Every detail, an exercise

in refinement.

Quietly articulate.

A finishing touch shouldn't be the first thing people notice. What they notice is that everything simply fits.

Brilliantly Engineered.

Perfect proportions. Endless configurations. Replaceable components. Lucid is a complete platform designed to distill and express refined interior spaces. Today and tomorrow.

Subtly translucent.

Bring added depth to your space through the interplay of light and shadow. Offset from the wall, printed text and graphics come to life on Lucid's clear Tiles. And cutout accents can create even more dimensional detail.
